Haiti Crisis: Exclusive Pastor Update from Lucado, Hybels and World Vision

Pastors across America are asking the question, "How do we respond to the crisis in Haiti?" Leaders with burdened hearts have great passion about getting involved, but it's important that their strategies match their passion.

You are invited to join Max Lucado, Bill Hybels, World Vision President Rich Stearns, and World Vision field staff on Friday, January 15 at 11:00 a.m. (PST) for a conference call to hear first hand accounts and the most up-to-date information about the devastating earthquake in Haiti and what World Vision and churches around the country are doing to respond.

Gain insight into this disaster and how your church can act. First hand information you will not hear on CNN. On this call you'll hear:

- First hand updates from World Vision staff on the ground in Haiti.
- Strategic insights and encouragement from Max Lucado on how your church can best respond.
- Bill Hybels on how to effectively mobilize your congregation and what that means for your church.

This information will be timely and critical as you formulate your church's response strategy.
