

Three spotlights are mounted on a metal truss structure at the top of the frame. They are illuminated, casting a bright white light downwards. The spotlights have blue and red accents. The background is dark, making the spotlights stand out.

Use the **Questions** box on your control panel to ask questions at any time during today's webinar.

A screenshot of the GoToWebinar control panel interface. The window title is 'File View Help' and the subtitle is 'Attendee List (2 | Max 201)'. The main area shows 'Attendees (1)' and 'Staff (1)'. A dropdown menu is set to 'NAMES - ALPHABETICALLY' and shows 'Corena Bahr (Me)'. Below this is an 'Audio' section with 'Audio Mode' options: 'Use Telephone' (unselected) and 'Use Mic & Speakers' (selected). A volume control bar shows 'MUTED' and a volume level of 00000000. Below the audio section is a 'Questions' section with a 'Questions Log' showing a question 'Q: Is there a volume discount?' and an answer 'A: Yes! We will send you more info after the event.' There is a 'Yes' input field and a 'Send' button. At the bottom, it says 'Webinar Now' with 'Webinar ID: 731-938-951' and the 'GoToWebinar' logo. Red lines with letters 'a' through 'f' point to various parts of the interface: 'a' points to the Attendee List title bar, 'b' points to the Attendees list, 'c' points to the Audio Mode section, 'd' points to the Questions Log, 'e' points to the Send button, and 'f' points to the Webinar Now section.
