

# FUTURE IMPLICATIONS FOR THEOLOGICAL EDUCATION

---

- 1. The context of ministry will be more secular and pluralistic.**
- 2. The candidate/student pool will be younger and have less exposure to “ traditional” church.**
- 3. The ministry model will be less pastoral/chaplain and more leader/learner/equipper.**

# FUTURE IMPLICATIONS...

---

4. The curriculum will include more focus on applied theology and relational skills.
5. Teaching/learning will be more interactive and team based.
6. The financial base will be more dependent upon a different motivation for giving.
