## VACATION WITH A PURPOSE

- :: Do you want to discover God's vision for your family?
- :: Do you ever wonder, "Am I leading my family in a way that would be pleasing to God?"
- :: Have you ever asked, "Is there more to life than another successful year capped off with a trip to Disney?"

If you answered **yes** to any of these questions then please consider joining us on a Vacation with a Purpose with fellow followers of Jesus and their families. You will see how God is working in the Dominican Republic; meet the ordinary heroes whom God is using to transform communities. You just might learn how God could use you and your family to change the world. You and your family may never be the same – please join us!

*"This was absolutely the best thing we have ever done as a family. Cliché or not; it was a life-changing trip. You can't see what we saw and not respond. "Not responding" is no longer an option."*
